Terms and conditions of MANDALA POTTERY,

AUROVILLE: We request a 50 % advance while confirming the order, and the balance 50 % payable including packing/couriering/gst charges, prior to dispatch. Time between placing of the order and dispatch of order will vary between 6 to 12 weeks, depending on the nature of items ordered and our prior orders and work load.

All our ceramic and work is handmade and wood/gas fired. This encourages slight variations in sizes, glazes, colours and the “feel”! From past experience, we have encountered some minor firing imperfections inherent to the ceramic medium, like slight bending, shrinkage, glaze variations, etc., which we, at our discretion, may rectify prior to packing. This in no way will detract from the final look of the commissioned work. This is the “handmade” we like and profess at Mandala Pottery...we hope that this is what you are also looking for.

We pack our goods the best we can; this almost ensures zero breakage; however we cannot be responsible for subsequent damage during the couriering period, or storage &/or unpacking on site. There are ways of insuring goods from your (client’s) side. This is something that may be worked out by the client with the couriers directly. Receipt of the advance is indicative of your agreeing to our charges and terms & conditions.

Looking forward to a healthy interaction with you,

Adil Writer for MANDALA POTTERY, AUROVILLE.
